Sir:

Applicant wishes to draw attention to the documents listed on the accompanying information disclosure statement. Copies of the documents other than U.S. patents are enclosed.

Accurate publication dates of "Continuous High Accuracy Pneumatic Conveying" and "Roto Feed Suitable for a Wide Variety of Applications" are unknown, but since the publisher Simon Macawber Ltd. changed its name to Macawber Ltd. on June 21, 1994, it appears that the publication date is prior to June 21, 1994.

Pursuant to MPEP 609, it is requested that the Examiner should initial the information disclosure statement to confirm that each document has been considered, and return a copy of the form to the undersigned with the first Office Action. **The PAIR record for this application does not show that a first Office Action on the merits has been mailed.**

Respectfully submitted,
